Napredne podloge za tuširanje

AQUAESTIL

A photograph of a white Aquaestil shower pan installed in a modern bathroom. The pan is set into a light-colored tiled floor. A black shower head and hose are visible on the left wall. A potted plant sits on a small black stand to the right of the pan. The Aquaestil logo is in the top right corner of the image.

Tempo i Teso DeLuxe

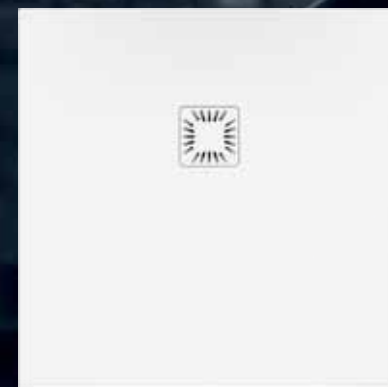

Inovativne tuš kade DeLuxe napredno su rješenje za moderne prostore za tuširanje bez kompromisa.

- Izrađene od 100% lijevanog sanitarnog akrila koji je ugodan na dodir, lako se održava, prirodno je protuklizan te je otporan na ogrebotine.
- Akrilna površina može se dovesti u prvobitno stanje ukoliko dođe do oštećenja.
- Tuš kade je moguće postaviti direktno na pločice (uz pripremu prostora u estrihu za sifon).
- Tuš kade DeLuxe mogu se samostalno (prema priloženim uputama) ili tvornički rezati na željene dimenzije unutar određenih gabarita.
- Jednostavna ugradnja
- 10 godina garancije

Mogućnost rezanja po mjeri

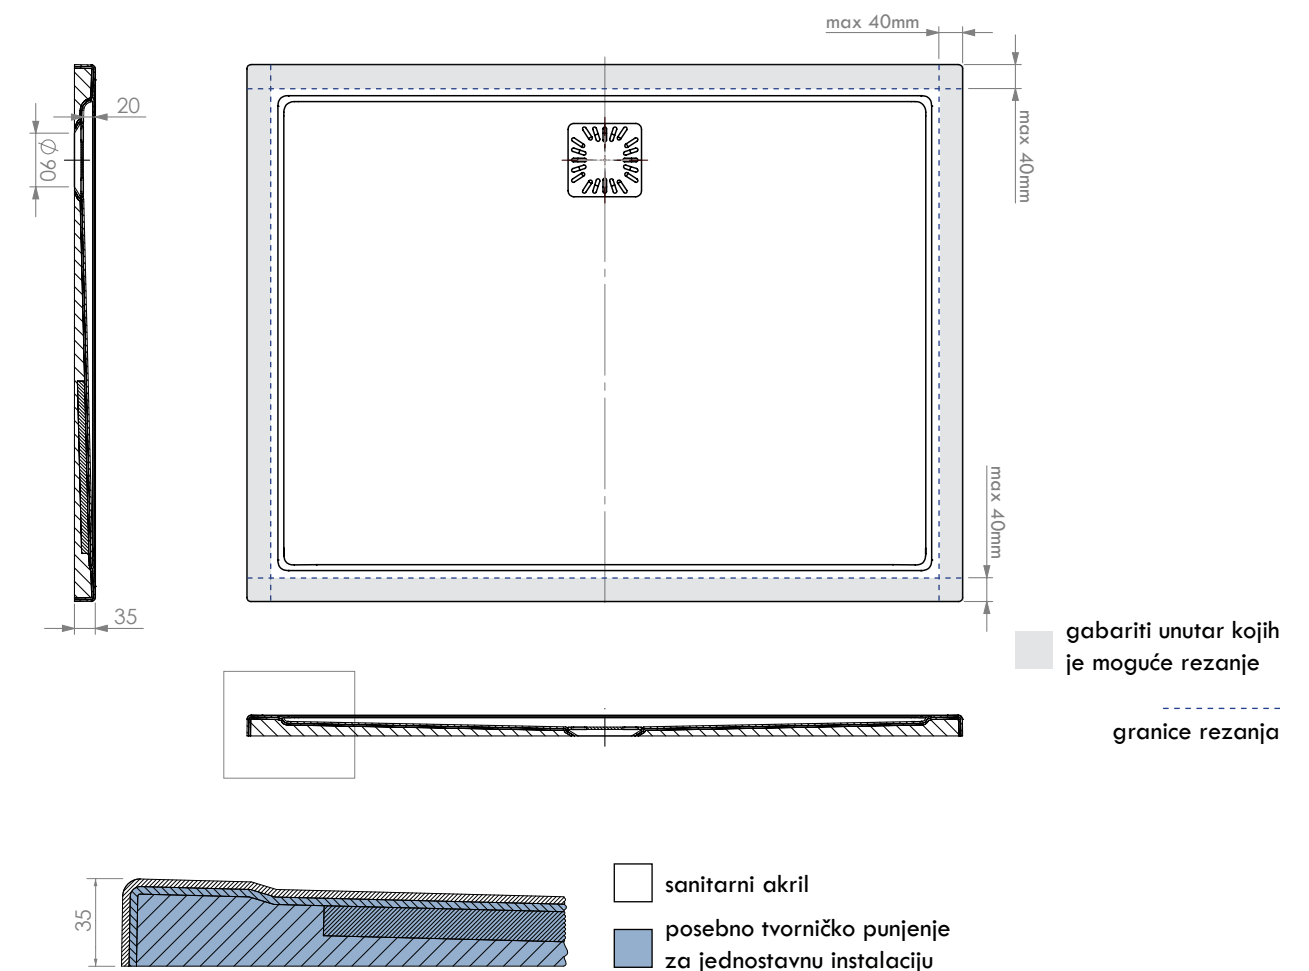

Tuš kade DeLuxe moguće je tvornički rezati po mjeri uz priloženi nacrt ili samostalno uporabom rezne ploče kako bi se prilagodile posebnim prostornim konfiguracijama.

Rezanje je moguće izvesti u zonama prikazanim na skici, a stranice tuš kade na kojima je izvedeno rezanje uvijek je nužno ugraditi do zida.
